"Beloved of THE FATHER:

Few individuals ever think to make calls for the peace of perfect sleep for every soul on Earth. The quieting of the mental and emotional bodies of the peoples would give The Ascended Host tremendous assistance in Our endeavors to revive them spiritually. The sleeping bodies of the mass of mankind are in every sort of depravity, and the mental and emotional bodies never cease motion even while the physical body is temporarily unconscious in sleep. Yet the far greater part of Our Service to men is done while they are in this condition of sleep, for while they may not be completely still, at least the conscious mind for the moment is inactive.

While the people sleep We pour Light from The Presence into the heart, thus It is not so distorted and milked dry by the various activities of the mental, emotional and etheric bodies by the time It reaches the physical form. This is the power of the healing in the deep, refreshing sleep, sought by men, but seldom attained.

It has been said repeatedly that in order to have health - harmony and peace of mind are essential, because all the electrons in the Universe carrying those qualities must pass through the mind and the feeling nature before they can find expression as health-giving, potent powers in the physical form.

The chela knows that the Pure Electronic Light is the animating power of his every action. He can grasp the passage of the Shining Light from The Heart of All-Life to the Heart of his "I AM" Presence. He can visualize It within the Heart of his own Presence, but he is confused as to what causes the change in Its efficacy in the split-second consumed from the moment It leaves The Presence until It enters the physical heart.

The physical body is the smallest of the four lower bodies and represents the center or kernal of the complete set of lower vehicles. The etheric body interpenetrates the physical, then in succession, the mental and the emotional body (which surrounds all the other three).

Peace of mind and harmony in the feeling world must be maintained in order to keep the consciousness of the four lower bodies receptive for the Light and God-Ideas to reach the heart and then to flow forth as perfect manifestations in the world of form. A perfect Example of this attunement was the beloved Ascended Master Jesus, Who was ever at One with the great Central Power of Light - hence His great works while He humbly walked the Earth.

For encouragement, may I add, that many of My beloved and faithful chelas today are so close to The Great Awareness of The Presence of Light, that they, too, are channels for Its wonders!

Love and Blessings,

THE MAHA CHOHAN.
